

## Kenilworth Croquet Club Ladies Day Event

On Saturday 6th August the annual Ladies Trophy competition took place at Kenilworth Croquet Club. 10 ladies took part, 5 of whom had never played in the competition before. It was a perfect summers day and there were many close and exciting games. We had 2 groups of 5 and the top two in each group went through to a semi final and then final. We started playing just after 10.00am and after 10 matches, several breaks for drinks and a picnic lunch we started the final at 4.45pm. The final was a repeat of one of the earlier group games between Pauline Harvey and Val Moss. Their first game had been extremely well fought Pauline having to play defensively to counter Val's extra turns and was the match that took the longest to play in the whole competition. The final was fiercely contested too but Pauline finally gained the upper hand after doing a magnificent jump shot which went sailing off to the next hoop.

It was a most enjoyable day, lots of good croquet, socialising, and most of all fun!

The participants were as follows:-

Pauline Harvey (Winner), Val Moss (Runner Up), Elizabeth Thomson and Kath Spare (semi finalists), Lynne Breedon, Judith Brickwood, Glen Duggins, Annie Langstone, Jan Phelps, Allison Watmore..
